Private Tour for Chapter Members

**Lorenzo de Zavala State Archives and Library Building
1201 Brazos St., Austin, TX 78701**

Friday, May 6, 2011, 2:00-3:30 PM

The Texas State Library and Archives Commission (TSLAC) is hosting a private tour of the newly renovated Lorenzo de Zavala State Archives and Library Building in Austin for the Lone Star Chapter of APG. This “behind the scenes” tour is not open to the public. However, we do invite guests and visitors to attend our evening event in Round Rock at 7:00 PM.

The TSLAC tour starts at 2:00 PM and consists of:

- a brief introduction to the collections in the Learning Center at TSLAC,
- a tour of Reference, with a focus on new equipment,
- a tour of the Genealogy print collection,
- a visit to the Archives Reading Room, including a view of the Conservation Lab, and
- a visit to the 2nd stack area, for that special "behind the scenes" glamour.

Members are welcome to research at the library and archives before and after the tour. A map of the area is available at <<http://www.tsl.state.tx.us/agency/visit.html#lorenzo>>.

**Please RSVP to Debbie Parker Wayne at debbie@debbiewayne.com by
April 22 if you wish to be included in the tour.**

The LSCAPG event on **May 6 at 7:00 PM in nearby Round Rock** will be open to guests and visitors.

**Paula Stuart-Warren, CG, and Pat Oxley will discuss
“Writing a Winning National Conference Speaker Proposal.”**
See the attached flyer for more information.

On **Saturday, May 7**, the **Austin Genealogical Society (AGS)** is presenting a seminar with
Paula Stuart-Warren, CG, as the featured speaker.
See <<http://www.austintxgensoc.org/>> or contact AGS for more information.

The convergence of these three events provides a great opportunity to increase our knowledge while visiting Austin at a beautiful time of year.
