

# Free Genetic Genealogy (DNA) Seminar

## with a Guest Speaker from Family Tree DNA

sponsored by the

Association of Professional  
**GENEALOGISTS**  
Lone Star Chapter

(LSCAPG) and the

**Clayton Library Center for Genealogical Research, Houston Public Library**

at

**Clayton Carriage House, 5300 Caroline St., Houston, Texas**  
**Saturday, June 4, 2011, 10:00 a.m. to 4:00 p.m.**

LSCAPG and Clayton Library have teamed up to offer a free seminar on the use of DNA for genealogical purposes. Family Tree DNA of Houston has graciously agreed to provide a guest speaker. Debbie Parker Wayne, CG, will present an introductory and an intermediate session on using Y-DNA and mitochondrial DNA (mtDNA). A representative from Family Tree DNA of Houston will present a session on using autosomal DNA results from the Family Finder test. Registration begins at 10:00 a.m. Three sessions will be offered:

1. 10:30–11:45 a.m. – Debbie Parker Wayne, CG, presents an introduction to using DNA for genealogy: “GATA GACC! DNA and Genetic Genealogy.”
2. 1:15–2:30 p.m. – Debbie Parker Wayne, CG, presents an intermediate session on “Maternal Lines: Using Mitochondrial DNA (mtDNA)” and “Paternal Lines: Using Y-DNA.”
3. 2:45–4:00 p.m. – a representative from Family Tree DNA presents “Using Family Finder Results” and will discuss the latest developments in DNA for genealogical purposes.

Attendees may bring a sack lunch or have lunch at a limited number of nearby restaurants.

**This event is free and open to the public; however seating is limited.**  
**Please call 832-393-2600 for a reservation.**
